

# WHEY VANILLA

Our high quality Whey Protein comes from New Zealand's pristine herds that are grass feed, with no antibiotics or hormones added.

## Whey Protein

Whey Protein is a naturally complete protein that provides essential and nonessential amino acids to support healing, muscle building, muscle and tissue recovery, energy and the immune system.\* Whey Protein is a great source of branched chain amino acids for muscle support, precursors for glutathione production as well as alpha-lactalbumin and immunoglobulins for immune system support.\*

## Zao® Whey Vanilla is:

- Micro-filtrated
- Rich in branched chain amino acids
- Great tasting and easily mixed making it the perfect base for any health shake or smoothie
- Combined with 2 g of Fibersol-2™ brand fiber to support regularity\*

## Recommended for:

- Active lifestyles
- Athletes, body builders and people who exercise
- Low calorie diets as adding Whey Protein to a mid-day snack or beverage provides healthy energy and may help control food intake at the next meal
- Restricted diets

## Athletes, Body Builders and Active Lifestyles

Branched Chain Amino Acids benefit muscle metabolism and provide energy directly to muscle tissue.\* The body requires higher amounts of branched chain amino acids during and following exercise as they are taken up directly by the skeletal muscles versus first being metabolized through the liver, like other amino acids. Low BCAA levels contribute to fatigue and they should be replaced in one-hour or less following exercise or participation in a competitive event.

## Low Calorie or Restricted Diet

One serving provides 21 grams or 80% high quality protein. It's a delicious, low calorie, low fat, low carbohydrate drink mix supplement that is sugar free! Whey Vanilla is a great addition to any weight management program, not as a meal replacement, but as a source of energy and to curb appetite.\* Many find their appetite at mealtime is reduced when they used our Whey Vanilla as a mid-morning or mid-afternoon snack.\*

## Immune System Support\*

Whey Protein naturally contains precursors for glutathione production. Glutathione helps defend the body against free radicals that can challenge or weaken the immune system.\* Natural protein fractions such as alpha-lactalbumin and immunoglobulins help strengthen the immune system.\*

\*\*Dietary fiber from digestion resistant maltodextrin must be tested using AOAC method #2001.03

## Supplement Facts

Serving Size: 1 Scoop (30.8 g)

### Amount Per Serving

Calories	120
Calories from Fat	10
Total Fat	1 g
Saturated Fat	1 g
Cholesterol	60 mg
Sodium	220 mg
Total Carbohydrates	7 g
Sugars	1 g
Dietary Fiber	2 g
Protein	21 g
Vitamin A	137 IU
Vitamin C	1.8 mg
Calcium	77 mg
Iron	0.22 mg
New Zealand Whey Protein Concentrate	26.775 g
Digestion Resistant Maltodextrin** (Fibersol-2™ brand)	2 g
Stevia Leaf Extract	220 mg

Other Ingredients: Guar gum and natural vanilla flavor, less than 0.5% of soy lecithin (emulsifier).

## Contains: Milk and Soy.

## Typical Amino Acid Profile of Whey Protein concentrate per serving\*\*\*

Isoleucine	1.02 g
Leucine	2.18 g
Lysine	1.64 g
Methionine	0.40 g
Phenylalanine	0.67 g
Threonine	0.89 g
Tryptophan	0.27 g
Valine	1.00 g
Histidine	0.39 g
Alanine	0.90 g
Arginine	0.69 g
Aspartic Acid	2.01 g
Cysteine/cystine	0.75 g
Glutamic Acid	3.01 g
Glycine	0.33 g
Proline	0.71 g
Serine	0.76 g
Tyrosine	0.64 g

## Typical protein composition of Whey Protein concentrate per serving\*\*\*

a-Lactalbumin	3.43 g
B-Lactoglobulin	7.84 g
Glycomacropeptide	1.078 g
Immunoglobulin G	0.882 g
Bovine Serum Albumin	0.9555 g
Proteose Peptone	5.0245 g
Lactoferrin	35.46 mg

\*\*\*Typical amino acid and protein values are an average representation of samples taken across the manufacturing process.

- **Warning:** If you are pregnant or nursing, consult your healthcare practitioner before taking this product.
- **Suggested Use:** As a dietary supplement, mix one scoop daily in 6-8 ounces of water, milk substitute or your favorite beverage, or as directed by your healthcare practitioner. For best results, serve cold and use shaker or blender.
