### DIMERCAPTOSUCCINIC ACID (DMSA)

AnazaoHealth, can precisely compound Dimercaptosuccinic Acid (DMSA) freeze-dried kits. We have been compounding DMSA Kits since 2003. Acetate buffers are included. Let our experience give you peace of mind that you'll receive a high quality, safe, reliable preparation.

### LEADERS IN INNOVATION AND QUALITY

We take great pride in the quality of all AnazaoHealth preparations. Specially trained and licensed pharmacists compound, dispense and package our pharmaceuticals. From the moment your order is received in our pharmacy, to its shipping, your order is checked and verified at multiple points to guarantee quality. AnazaoHealth has developed industry leading Quality Control standards that follow strict, specific protocols in every step of the fulfillment process.

*Patient-specific prescriptions required in order to dispense. A physician must determine a compounded preparation prescribed is appropriate for a patient and document accordingly in the patient's medical record.*
